MTA mandate

Results

MTMT OA statistics

**about 60% compliance for 2014
(OA or under embargo)**

MTA mandate

Proposed amendment

Longer embargoes for HSS - Hungarian language market is small!

Waivers by the directors of institutes and research centres

CC BY-NC-ND

MTA OA policy for journal and book publishing grants

OA for journals

**Archiving either article-by-article or whole issue
Embargo possible – 1 / 2 years or 2 / 3 years**

OA for Books

Deposit

Long embargoes or closed access possible

MTA OA publishing fund

100 thousand Euros for 2014

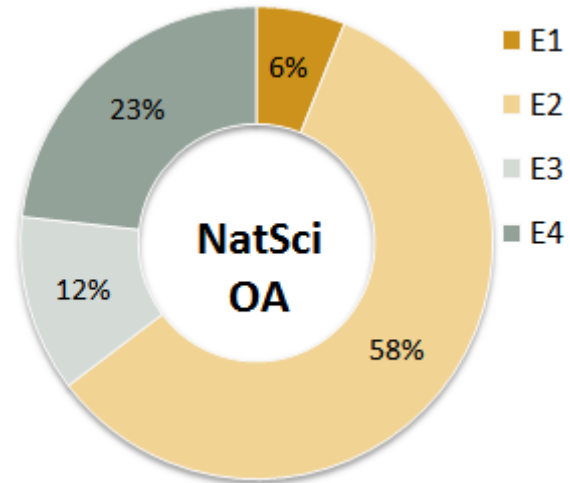

Hybrid is not eligible

~ 70 APC refunded

+ SCOAP3

The OA perspective in the monitoring of MTA research performance

Study of MTA KIK TTO

Publication strategy. Distribution of MTA OA publications within field-normalized journal rank categories (E1–E4) in the natural sciences, 2014 (E1: excellent, E2: very good, E3: good, E4: moderate)

Thank You!
